Four Steps to Admissions

Thank you for choosing Elijah House Academy, where students are becoming prepared and confident while developing a lifelong love for learning. To start the admissions process for your student(s), simply follow these four easy steps. For more information, call 804.755.7051 or email us at admissions@ElijahHouseAcademy.org.

Apply Online

Visit us at www.ElijahHouseAcademy.org and click on 'admissions' to access the online application. Complete the application and submit it with a \$25 nonrefundable application fee.

Submit Documents

Once the application is submitted, EHA's Admissions Manager will call to request your student's:

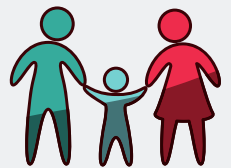

- Original Birth Certificate
- Original Social Security Card
- Custody Order (if applicable)
- Records Release Form (grades 1 through 8) Completed and signed by the parent. This authorizes the current school to release the student's academic records to EHA for review.

Student Testing

Our goal is to ensure every student who joins EHA is set up for long-term academic success. Student are tested to assess their readiness to learn and their level of acquired knowledge in relation to EHA's curriculum. Testing is offered on specific days and times and is scheduled through the Admissions Manager.

Parent Interview

The final part of the admissions process is the family meeting with EHA's Head of School. This is a special time that fosters a close connection between families and the school and offers an unique opportunity to get to know one another.
