## becoming

### **Lead Transitional Kindergarten (TK) Teacher**

#### **Position Summary:**

EHA is searching for an experienced teacher who believes in and embodies our Philosophy of Education (based on Charlotte Mason/classical approach) such that his or her curriculum and instruction cultivate within our students a love for learning. This teacher will be responsible to cultivate a classroom atmosphere of delight and duty where such a love for learning and good habits can be formed. This class will be composed of older four year old and younger five year old students.

#### **Position Reporting Responsibility:**

This position reports to the Dean of Academics.

#### **Position Requirements/Qualifications:**

Anyone who is seeking this position at EHA must:

- Understand and be in agreement with the EHA statement of religious beliefs
- Understand and be in agreement with EHA's mission, vision, values, Philosophy of Education and Student Formation Beliefs
- Hold a bachelor's degree
- Demonstrate a passion for both teaching and serving in an urban environment
- Demonstrate an understanding of a Charlotte Mason/classical approach to education
- Preference will be given to candidates who have teaching experience, especially in a Charlotte Mason/classical classroom setting
- Preference will be given to candidates who hold a teaching license and/or certification

#### **Position Essential Duties and Responsibilities:**

##### Teacher

- Create and/or enhance unit plans for content areas
