

## **Meal Charge Policy**

Meals, foods and beverages served at Elijah House Academy meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods and beverages are prepared and served by qualified child nutrition professionals. We provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students.

EHA is able to provide complete meals free of charge because of CEP participation. Students are not able to receive second meals, or à la carte items. All students are eligible to receive a healthy complete breakfast and lunch at no charge each day of the school year. No further action is required of parents regarding school meals. EHA students will be able to participate in these meal programs without having to pay a fee or submit an application.
